

CANT 2023

Twenty-first Annual Workshop on Combinatorial and Additive Number Theory

CUNY Graduate Center

May 23 - 26, 2023

Information

1. ZOOM LOGIN

<https://lehman-cuny-edu.zoom.us/j/84066184717?pwd=dkZFbVdyQm5KMUJtcUhFcjMxV0J2QT09>

Meeting ID: 840 6618 4717 Passcode: 304403

2. ENTERING THE CUNY GRADUATE CENTER

When you enter the building on Fifth Avenue (between 34th and 35th Streets), you will need to show ID and say that you are attending the mathematics conference in the Science Center (Room 4102) on the fourth floor.

Beginning Wednesday, May 23, it is no longer necessary to show proof of vaccination in order to enter the building (but maybe you should have it, just in case).

3. FOOD

Midtown Manhattan has food galore. There are myriad restaurants within just one or two blocks of the Graduate Center. There are two different Starbucks within 100 yards of the Graduate Center.

4. FOR CANT 2023 SPEAKERS

All talks are posted on researchseminars.org. Please check your listing.

The conference program is packed and inflexible. Talks are at 30-minute intervals, and it is critical, if you are giving your talk on Zoom, that you are able to log into Zoom easily and share your slides online.

The following are practice times when you can login and test the system. It should only take a minute to know that everything works OK for you.

Zoom practice sessions (New York time):

Sunday, 11:30 AM - 12:30 PM

Sunday, 5:00 PM - 6:00 PM

Monday, 9:00 AM - 10:00 AM

5. CONFERENCE PROCEEDINGS

Springer will publish the proceedings of CANT 2023. If you wish to submit a paper, the deadline for submission is September 1, 2023. All papers will be refereed.
