

CANT 2025

Twenty-third Annual Workshop on Combinatorial and Additive Number Theory

CUNY Graduate Center
365 Fifth Avenue, New York, NY
Tuesday, May 20, to Friday, May 23, 2025

Information

1. CONFERENCES SESSIONS

There will be a Zoom session on Tuesday, May 20. This session was added because of the large number of requests to speak at the conference.

The sessions from Wednesday, May 21, to Friday, May 23, will take place in person in the Science Center on the fourth floor of the CUNY Graduate Center, as well as on Zoom. All in person talks will also be broadcast live on Zoom.

There will be a problem session every afternoon of the conference.

2. REGISTRATION

Registration is free, but you must register to be on the email list to receive conference information. Please register for the conference at:

[https : //cant2025.eventbrite.com](https://cant2025.eventbrite.com)

3. ZOOM LOGIN

All lectures, both in person and remote, will be broadcast live on Zoom. The Zoom login is:

Meeting ID: 840 6618 4717 Passcode: 304403

4. ENTERING THE CUNY GRADUATE CENTER

When you enter the building at 365 Fifth Avenue (between 34th and 35th Streets), you will need to show ID and say that you are attending the conference.

5. CONFERENCE MEETING ROOMS

Wednesday, May 21, 2025 Science Center (Room 4102)

Thursday, May 22, 2025 Science Center (Room 4102)

Friday, May 23, 2025 Science Center (Room 4102)

6. FOOD

There is a cafeteria on the 8th floor of the CUNY Graduate Center.

Midtown Manhattan has food galore. There are myriad restaurants within just one or two blocks of the Graduate Center. There are two different Starbucks within 100 yards of the Graduate Center.

7. FOR CANT 2025 SPEAKERS

The conference program will be posted on this website. All talks will also listed be on researchseminars.org. Please check your listing.

The conference program is tightly packed. All talks are 25-minutes with 5 minutes between talks. It is critical, if you are giving your talk on Zoom, that you are able to log into Zoom easily and share your slides online.

There will be practice times when speakers on Zoom can login and test the system. It should only take a minute to know that everything works OK for you.

8. CONFERENCE PROCEEDINGS

Springer will again publish the proceedings of CANT 2025. The title of the volume will be: *Combinatorial and Additive Number Theory VII*. If you wish to submit a paper, the deadline for submission is September 1, 2025. All papers will be refereed.
